AGREEMENT

This Agreement made and entered into this July 1, 2019 by and between the Departments of Central Management Services and Department of Human Services (hereinafter called the "Employer") and Local #919, Illinois Federation of Teachers, AFT, AFL-CIO (hereinafter called the "Union") and their successors and assigns on behalf of Educators in the collective bargaining unit set forth in Section 2.1 hereof.

ARTICLE I

Purpose

1.1 It is the intent and purpose of the parties hereto to set forth the agreement between them for the term hereof concerning rates of pay, wages, hours of employment, and other working conditions to be observed by them and the Educators covered hereby.

ARTICLE II

Recognition

2.1 The Employer recognizes the Union as the sole and exclusive representative for the purpose of collective bargaining for the position classification of Educator at the Illinois School for the Deaf, Jacksonville, Illinois.

Dues Deduction

2.2 The Employer shall honor employees' individually authorized deduction forms, and shall make such deductions in the amounts certified by the Union. Such authorized deductions may only be revoked in accordance with the terms under which an employee voluntarily authorized said deduction. Written authorization may be evidenced by electronic communications and such writing or communication may be evidenced by the electronic signature of the of the employee as defined in 5 ILCS 175/5-120. The Local shall advise the Employer of any increase or decrease in dues or other approved deductions in writing at least fifteen (15) days prior to its effective date.

The Union shall maintain accurate records of the voluntary deductions which have been authorized by represented employees and shall give the Employer timely notice and written authorization of any changes in such authorizations, with the understanding that the Employer will promptly execute such changes in payroll deductions. Upon receiving notice and written authorization, the Employer shall commence deductions as soon as practicable, but no later than the second pay period from receipt, from the Union. Employee deductions shall be transmitted to the Union as soon as practicable and within the prescribed procedures of the Comptroller from the date of the deduction. The Employer will not cease voluntary deductions from a bargaining unit employee unless directed to do so by the Union. If a bargaining unit employee requests a change in membership/dues status, the employee will be referred to the Union.

All employees covered by this agreement who have signed Union dues checkoff cards prior to the effective date of this Agreement or who signed such cards after such date

shall only be allowed to cancel such dues deduction within the prescribed procedures of the Comptroller and the collective bargaining agreement.

2.3 The Union shall indemnify, defend and hold the Employer harmless against any claim, demand, suit, or liability arising from any actions taken by the Employer in complying with this Article.

Certification

2.4 All Educators shall be licensed in accordance with the Illinois State Board of Education.

ARTICLE III

Management Rights

3.1 Subject to the provisions of this Agreement, P.A. 83-1012, and Rules and Regulations of the Department of Central Management Services, the management of the operations of the Employer, the determination of its policies, budget and operations, the manner of exercise of its statutory functions and the direction of its working forces, including, but not limited to, the right to hire, promote, demote, transfer, allocate, assign, evaluate and direct Educators; to discipline, suspend and discharge for cause; to relieve Educators from duty because of lack of work or other legitimate reasons; to make and enforce reasonable rules of conduct and regulations; to determine the departments, divisions and sections and work to be performed herein; to determine quality; to determine the number of hours of work and shifts per workweek, if any; to establish and change work schedules and assignments, the right to introduce new methods of operations, to eliminate, relocate, transfer or subcontract work and to maintain efficiency in the department is vested exclusively in the Employer.

ARTICLE IV

Hours of Work

4.1 The regular teaching day shall commence at 8:05 a.m. and shall terminate at 3:00 p.m. On six home going days, Educators will attend School Improvement Days that will terminate at 2:09 p.m. On two home going days Educators will attend staff development activities that will terminate at 3:00 p.m. On Friday home going days, Educators will have professional development or other academically relevant activities from 2:15 p.m. to 3:00 p.m. All faculty members shall have at least one preparation period to equal the duration of a regular class period of at least 40 minutes. On early dismissal days the employer may adjust the school wide schedule so that classes and prep periods are of equal duration.

Positions that require specialized hours shall be negotiated prior to the opening of school.

a) Birth-3 Educators will use an open schedule for the parent infant program to accommodate working parents.

- b) Learning Resource Educators (LREs) will use a flexible schedule, which will be submitted to the supervising Principal for approval, and which may be adjusted by mutual agreement prior to the beginning of each semester. On home going days, the LREs will work the same number of scheduled hours as all other Educators.
- c) The work hours for Educators (i.e. Driver's Education, SWE, Physical Education, etc.) whose assignment requires will be established each quarter based on student need within the hours of 7:30a.m. and 4:00p.m. On home going days, the Educator will work the same number of scheduled hours as all other Educators.

During the term of the Agreement, if the agency determines weekly preparation periods are necessary to accommodate class schedules for the benefit of the students, the parties shall meet to discuss and agree upon such schedules prior to implementation.

4.2 The practice concerning holding school days on weekend days or holidays will continue as in the past. The parties agree that a Joint Committee composed of representatives from the Department of Human Services and IFT Local #919 shall meet to discuss the feasibility of scheduling going home days in conjunction with holidays and subject matter for in-service training, aligning ISD's school calendar with that of Jacksonville School District 117. Any changes shall be implemented the following academic year.

4.3 Educators will work a normal academic year teaching schedule of 180 days within a 185 day minimum term which will insure at least 176 days of actual pupil attendance as enumerated on form IOE-33-03 (Rev. January 1, 1996) and as approved by the Director of Central Management Services.

4.4 Educators shall be at their designated work places, ready for work at their scheduled starting time above and shall remain at their work places until their scheduled quitting times as set forth in Section 4.1, except for designated or authorized relief breaks, including a minimum forty (40) minutes lunch period for those Educators accepting cafeteria assignments during the lunch period.

4.5 Instruction or duty performed by Educators beyond the 185 day school calendar shall be by seniority from among those Educators employed during the regular academic year providing they are qualified.

4.6 Once each month, Educators will attend a staff meeting beginning at 3:10 p.m. and ending no later than 3:55 p.m. Compensation for attendance shall be in an amount equal to one hour's pay at the employee's hourly rate. The date of the meeting shall be announced to the employees no later than 15 calendar days prior to the day of the meeting.

4.7 As much as possible, IEPs and ERs will be scheduled during the educators' regularly scheduled teaching day. In instances where IEPs and ERs can not be scheduled from 8:05 a.m. – 3:00 p.m. because of scheduling problems, special requests made by parents and/or Local Education Associations (LEAs), IEPs will be scheduled after regular work hours. If an IEP or ER is scheduled or continues beyond 3:00 p.m. the educator will be paid the appropriate hourly rate. If an IEP or ER is scheduled or continues during the Educator's duty free lunch, the Educator will be afforded a duty free lunch or be paid the appropriate hourly rate as determined by the Educator and approved by the Supervising Principal.

4.8 The Illinois School for the Deaf and the Union shall meet annually to discuss the school calendar for the subsequent school year.

4.9 An educator shall, whenever possible, provide advance notice of absence from work. Absence of an employee for five (5) consecutive work days without reporting to the Employer or the person designated by the Employer to receive such notification may be cause for discharge. The above provision shall not apply so long as the employee then notifies as soon as it is physically possible.

4.10 In addition to the regularly scheduled staff meetings as provided for in Article IV, Section 4.6, The Union agrees that it will, through its building representatives, encourage voluntary attendance at meetings that the administration feels are important to the educational mission of I.S.D.

An agenda will be given to the building representatives during the workday prior to the day of the meeting.

4.11 If an Educator is required to attend a meeting beyond the work year as defined in Section 4.3 or the teaching day as defined in Section 4.1, the Educator shall be compensated at the individual's hourly rate of pay, subject to the approval of the Supervising Principal.

ARTICLE V

Maintenance of Specified Existing Conditions

5.1 The Employer agrees to maintain the existing conditions with respect to the following:

- A. Educators shall receive one 15 minute break in the morning of each workday to be scheduled subject to the operating needs of the Employer.
- B. Educators shall receive one 40 minute duty free lunch period without a lunch provided unless prior to the beginning of each semester Educators notify the Superintendent in writing of their desire to take their lunch with the students in the cafeteria. Such a lunch shall be provided without cost.

For Educators receiving free lunch the Superintendent will at his/her discretion assign Educators to cafeteria duty. Educators will remain at their designated cafeteria assignments until students have fully completed the lunch meal.

In the event that circumstances occur which preclude providing lunch to Educators without cost, the Educators shall receive one 40-minute duty free lunch period.

- C. With prior written approval of the Superintendent, Educators shall be allowed time away from work with pay to attend the following professional meetings:

- i. Illinois Teachers of Hard of Hearing / Deaf Individuals
- ii. IFT sponsored workshops for Educators and other professional meetings where appropriate and beneficial to the school's program.
- iii. The Employer shall not be responsible for any travel or subsistent expenses incurred by the Educator(s) unless mutually agreed otherwise.

5.2 The parties agree that threats and/or acts of violence committed in the workplace or directed at employees shall not be tolerated.

5.3 Employees shall not be allowed to smoke in State owned or leased buildings/space and vehicles.

5.4 The Employer shall endeavor to assign bargaining unit work to bargaining unit employees.

ARTICLE VI

Assignment to Extracurricular Activities

6.1 Extracurricular Activities (ECA) shall be governed by the following procedures:

- A. The Employer will provide to Educators the approved list of available extracurricular activities for the next academic year.
- B. Educators with the proper qualifications who want to participate in the approved extracurricular activities will indicate their intent in writing to the athletic director.
 1. Educators who currently hold an ECA position will be able to retain that position by indicating in writing their intent in February to do so unless the Employer has extenuating circumstances to prevent their re-hiring.

Individuals outside the bargaining unit who currently hold an ECA position will be able to retain that position by indicating in writing their intent in February to do so unless the employer has extenuating circumstances to prevent their re-hiring.

2. After the incumbents have indicated their intent to retain the position, the unfilled positions will be offered to the educators in March in seniority order by seniority in the ECA first, and then by seniority within the bargaining unit.
3. In April, all unfilled fall ECA positions will be offered to individuals outside the bargaining unit or assigned in reverse seniority within the bargaining unit. In September, unfilled winter/spring ECA positions will be offered outside the bargaining unit or assigned in reverse seniority within the bargaining unit.
4. Only educators will have the right to sign up for junior/senior class sponsors. This is a two-year commitment unless the Employer has extenuating circumstances to prevent their re-hiring. If there are no junior/senior class sponsors by April, assignment will be by reverse seniority from educators not holding an approved ECA.

5. If an ECA position is vacated due to retirement, resignation, change in position, or any termination of services after the completion of the ECA process, that position will be offered according to the provisions of Article VI, 6.1 B.

6.2 Grant proposals for quarter, semester, or full year activities shall be governed by the "Criteria for Grant Proposals". Participation in the grant program does not preclude the educator from having reverse seniority enforced.

6.3 Educators assigned to the activities of Timer or Scorekeeper, as listed in Schedule B, shall be responsible for all home games within that assignment and shall be responsible for obtaining a replacement when necessary. Except in cases of emergency, the Educator must notify the Athletic Director or his/her designee not less than 24 hours prior to the scheduled event of his/her inability to attend and inability to find a replacement. In such cases the Athletic Director or his/her designee shall assign a replacement.

Pay for any replacements shall be the responsibility of the Educator regularly assigned to the activity.

6.4 If the Employer establishes any new activities or changes the duties and/or working conditions of any existing activity, the Union and the Administration shall negotiate the working conditions and compensation of the new activity.

6.5 A mentoring program that enables non-coaches to gain experience in coaching shall be initiated during the 2000-2001 academic year and continued annually after implementation. The program shall be governed by the Mentor Program for ISD's Sports Program. The program shall be led by the Athletic Director.

ARTICLE VII

Seniority

7.1 Seniority standing shall be determined by the length of service in the bargaining unit with the Illinois School for the Deaf in Jacksonville, Illinois and shall be school-wide. Educators shall be regarded as probationary Educators for the first nine months of their employment and shall have no seniority until after completion of such nine months period. Those employees serving an original nine month probationary period shall have no right to recall/re-employment as defined in this Article. When the probationary period is completed, seniority shall be retroactive to the first day of employment. Should an Educator become employed in another classification at the Illinois School for the Deaf and subsequently return to an Educator position at that school, the Educator shall retain their bargaining unit seniority. Educators who return to the bargaining unit may not utilize their previously accrued bargaining unit seniority to bid on ECA positions.

7.2 The Administration shall keep, in accordance with the provisions of this Article, a list of its Educators covered by this Agreement indicating the seniority date of every such Educator of the School for the Deaf in Jacksonville, Illinois. The seniority roster shall be given to the Union at the start of the school year with new Educators and those on leave of absence listed thereon and all names of discharged or resigned Educators removed. No change in teaching assignment shall affect the seniority of the Educator.

7.3 When conditions require Educators to be laid off in the succeeding school year, the Employer shall give said Educators sixty (60) days notice before school ends. In extraordinary cases regarding budgetary reductions or other unforeseen circumstances beyond the Employer's control, the Administration will notify the Educator of a layoff within fourteen (14) days following the legislative budgetary action or unforeseen circumstances.

7.4 Provided the Educators to be retained or recalled possess proper certification in the subject to be taught, the Educator having the least school seniority shall be the first laid off and the laid off Educator having the greatest school seniority shall be the first recalled.

7.5 Notice to return to work from layoff shall be by registered mail and the Educator so recalled shall have fourteen (14) calendar days after receipt of the recall notice in which to notify the Employer of his/her intent to return to work on the date stated in the recall notice.

7.6 Laid off Educators shall keep the Employer informed in writing of their current mailing address.

7.7 Temporary layoff of five (5) days or less shall be in accordance with Personnel Rule 302.510 and seniority as defined in Article 7.1. Educators affected by temporary layoff shall not suffer any reduction in fringe benefits for the term of the temporary layoff.

7.8 Educators shall lose reemployment rights for the following reasons:

- (a) If an Educator quits or retires.
- (b) If an Educator is discharged for just cause.
- (c) Absence from the school's employ for a period of two (2) years or more because of layoff.

7.9 In cases of ties in seniority, ties will be broken by lottery to determine seniority. The Chief Steward, President or their designee(s) and educators impacted will be present for the lottery.

ARTICLE VIII

Transfers and Schedule Changes

8.1 Educators shall not be transferred during the course of an academic year without their consent unless a circumstance beyond the control of the Employer, such as the sudden major illness or death of a faculty member or other unforeseen circumstances requiring such transfer arises. If such transfer must occur during the academic year, the transfer shall be made with the least disruption to all affected Educators' current schedule(s). Upon request by the affected Educator or the Union, the Employer and the Union shall meet to discuss a transfer plan.

8.2 Such transfer shall be in accordance with inverse seniority from among those Educators affected, providing they are qualified.

8.3 The length of this temporary transfer shall terminate when the need ceases to exist or no later than the end of the academic school year.

8.4 A schedule change is defined as amending more than fifty percent (50%) of an Educator's schedule during the academic year. If a schedule change must occur, the schedule change shall be made with the least disruption to all affected Educators' current schedules. Upon request by the affected Educator or the Union, the Employer and the Union shall meet to discuss the schedule change.

ARTICLE IX

Job Posting

9.1 When a permanent position becomes vacant during the academic year, the Superintendent or his/her designee shall notify all Educators of the vacant position by email and post the position on the computerized central listing of available job openings maintained by the Department of Central Management Services no later than ten (10) school days after it has been determined that such vacancy shall be filled. The position shall remain posted for five (5) school days. An Educator who wishes to apply for the announced vacancy shall do so by indicating his/her desire to be considered for such vacancy in writing to the Employer within that period. Job postings will list specific job qualifications pertinent to the position or duty.

Any educator who accepts a vacancy pursuant to Article 9.1 shall be prohibited from again exercising those rights for vacancies in a school year for which he or she is the successful bidder.

9.2 During the summer session when a permanent position becomes vacant, the Superintendent or his/her designee shall notify all Educators, who possess certification in the subject to be taught based on individual employee transcripts, of the vacant position. The Superintendent or his/her designee shall notify all Educators of the vacant position either by email or skylert. Educators interested in the vacant position shall express such interest in writing within five (5) days after receipt of the Superintendent's offer. If an Educator is unavailable for contact or does not respond, such Educator shall be deemed to have declined the position.

9.3 Such requests shall be given consideration by the Employer based on qualifications, seniority and other merit factors which the Employer deems relevant. If there are no Educators who qualify for the position, the foregoing shall not preclude the Employer from selecting a candidate from outside the bargaining unit, provided that the selected candidate meets all of the necessary qualifications as identified in the CMS Class Specification for Educators.

When filling permanent positions, where there exists an underutilization of a minority class in a given geographical region and/or job category, within the bargaining unit, the Agency may in accordance with applicable law, fill the position at it's discretion to address the underutilization.

9.4 Any opening which occurs 14 calendar days or less prior to the opening of school will be filled by the Superintendent or his/her designee by providing notice of the vacant

position to all Educators either by email or skylert. Educators interested in the vacant position shall express such interest by email within twenty-four (24) hours after receipt of the Superintendent's offer. If an educator is unavailable for contact or does not respond, such Educator shall be deemed to have declined the position.

ARTICLE X

Grievance Procedure

10.1 Definition: A grievance is any difference arising between the Employer and the Union or any member of the bargaining unit with respect to the interpretation or application of this Agreement, Personnel Rules of the Department of Central Management Services, agency administrative Rule or Regulation or term or condition of employment which directly affects the grievant in the performance of his official duties. Subject matters which, by specific provision of the Illinois Personnel Code, are exclusively within the jurisdiction of the Civil Service Commission shall not be subject to the grievance procedure.

A written grievance shall contain a statement of grievant's complaint, the section(s) of the Agreement allegedly violated, if applicable, the date of the alleged violation and the relief sought. The form shall be signed and dated by the grievant. Improper grievance form, date or section citation shall not be grounds for denial of the grievance.

Educators participating in the grievance procedure shall not be subjected to discipline or reprisal because of such participation.

If the Educator or the Union fails to pursue the grievance to the next step within the prescribed time limits the grievance shall be dropped.

If the Administration fails to respond within the prescribed time limits, the grievance will automatically proceed to the next step.

The prescribed time limits may be extended by mutual consent of the Union and the Employer.

Any grievance alleging a violation of any provision contained in this agreement must seek remedy in the grievance procedure provided in this agreement.

An employee who files an appeal to the Civil Service Commission under the provisions of the Personnel Code and Rules of the Department of Central Management Services, the Department of Human Rights, or the Equal Opportunity Commission over a same or similar subject matter shall waive any and all rights provided in this Article.

10.2 Procedure: Step 1 - An attempt shall be made to resolve any grievance by means of an informal, verbal discussion between the grievant and the immediate supervisor within ten (10) school days from the date upon which the incident occurs or the grievant could reasonably have had knowledge of the incident giving rise to the grievance.

Step 2 - If the grievance cannot be resolved at the first step, it shall be reduced to writing and presented within five (5) school days of the discussion to the Superintendent or his/her designee. The written grievance shall contain a brief statement of the nature of the grievance, shall identify the section or sections of the agreement, Personnel

Rules of the Department of Central Management Services, agency administrative Rule or Regulation or term or condition of employment allegedly violated and shall state the relief sought. The Superintendent or his/her designees shall make an effort to adjust the matter and shall respond in writing to the grievant within five (5) school days of receipt of the written grievance.

Grievances concerning disciplinary suspension of an Educator for less than 30 days may be taken up initially at Step 3 of the grievance procedure.

Step 3 - If the grievance is not resolved at Step 2, the grievant may appeal the decision of the Superintendent to the Agency Head or his/her designee in writing within five (5) school days after the date upon which the Superintendent's reply is due.

The Agency Head or his/her designee shall have ten (10) school days after receipt of the grievance to meet or hold other discussions with the grievant, the Union representative and such other representatives as either party deems necessary to discuss the grievance.

The Agency Head or his/her designee shall respond in writing within ten (10) school days following the meeting with the grievant.

Step 4 - If the grievance is not resolved in Step 3 or an answer is not given within the specified time limit, the Union may appeal the grievance to Step 4 of the grievance procedure within twenty (20) working days after receipt of the Step 3 answer or when such answer was due. Within twenty (20) days of receipt of the grievance by the Illinois Department of Central Management Services, representatives of the Union and the Division of Employee and Labor Relations will select a reasonable and mutually convenient time and place to meet at Step 4. Representatives of the I.F.T., a representative of the Division of Employee and Labor Relations, and a representative of the Agency shall then meet in an effort to affect a resolution prior to proceeding to arbitration. The Illinois Department of Central Management Services, Office of Labor Relations, shall provide a written response to the grievance no later than ten (10) working days after the Step 4 meeting with the Union.

Step 5 - If the grievance is not resolved at Step 4, the Union may refer the grievance to the Director of Central Management Services, requesting arbitration, within ten (10) school days following the date upon which the Step 4 response was received. If a meeting is not scheduled within the twenty (20) day period, the Union may appeal the grievance directly to arbitration within ten (10) working days of the conclusion of the twenty (20) day period.

Upon receipt of the request for arbitration, the representative of the Employer and the Union shall meet in an effort to select an arbitrator. If the parties are unable to agree on an arbitrator, the parties shall request the Federal Mediation and Conciliation Service to submit a list of seven (7) arbitrators. The parties shall alternately strike the names of three arbitrators, taking turns as to the first strike. The person whose name remains shall be the arbitrator, provided that either party, before striking any names, shall have the right to reject one (1) panel of arbitrators. The arbitrator shall be notified of his/her selection by joint letter from the Employer and the Union requesting that he set a time and place for the hearing, subject to the availability of the Employer and Union representatives, and shall be notified of the issue involved. The arbitrator shall have no right or authority to amend, modify, nullify, ignore or add to the provisions of this agreement. The award of the arbitrator shall be final and binding on the Employer, the

Union and the Educator(s) involved. The expenses and fees of the arbitration shall be shared equally by the parties.

Either of the parties shall bear the cost of their own witnesses including any lost wages that may be incurred. If either party desires a verbatim record of the proceedings, it may cause such record to be made, providing it pays for the record and makes a copy available without charge to the arbitrator. If the other party desires a copy, it shall pay for the cost of its copy. Both parties agree to attempt to arrive at a joint stipulation of the facts and issues to be submitted to the arbitrator.

The above provisions shall not preclude the selection, by mutual agreement of the parties, of a permanent arbitrator to hear all cases occurring under this contract. The arbitrator shall then remain the single arbitrator to hear these cases as long as he/she remains mutually acceptable to both parties. Either party may terminate the services of the permanent arbitrator by so notifying him/her at least thirty (30) days prior to the effective date.

10.3 Advanced Grievance Step Filing: Certain issues which by nature are not capable of being settled at a preliminary step of the grievance procedure may by mutual agreement be filed at the appropriate advance step where the action giving rise to the grievance was initiated.

Mutual agreement shall take place between the appropriate Union representative and the appropriate Employer representative at the step where it is desired to initiate the grievance.

10.4 Paid Time Off for Union Business

A. General Provisions

Employees, Business Agent and Local Union Representatives shall be allowed reasonable time with pay during work hours, except during periods of student contact time, to file, investigate, and process grievances, provided that such activity does not substantially interfere with the employer's operation.

Employees shall, after giving appropriate notice to their supervisors, be allowed reasonable time off with pay during working hours to attend grievance hearings or meetings called or agreed to by the Employer, if such Educators are entitled or required to attend such meetings by virtue of being Union representatives, Business Agent, witnesses, or grievants.

B. Limitations on Time Off for Grievances

No Educator/Union representative shall leave work without first receiving the supervisor's permission. The supervisor will not unreasonably withhold permission to leave work for the purpose of filing, investigating or processing grievances or for the purpose of attendance at grievance hearings.

C. Time Off for Labor/Management Meetings

For the purpose of maintaining communications between Labor and Management and to cooperatively discuss and solve problems of mutual

concern, meetings shall be held between the union representatives and management.

An Educator who by virtue of his/her status as a Union representative, Business Agent, or witness, is entitled or required to attend labor/management meetings or other meetings called or agreed to by the employer, shall be paid for work time so used, provided the Educator has received permission from the supervisor for such attendance. The supervisor will not withhold permission unless the Educator's absence would substantially interfere with operations.

D. Limitations on Paid Time Off for Labor/Management Meetings

Time off with pay does not include time spent by the Educator or Union representative during non-scheduled work hours.

E. Time Off for Union Meetings, Caucuses, or Conventions

Employees, Business Agent, and Union representatives may be called to scheduled or unscheduled sessions to conduct Union business.

Time off work with pay is not allowed an Educator for purposes of participating in sessions called by a Union. Earned paid time off, such as vacation, holiday, or personal leave, may be used for such purposes provided the constraints and procedures related to these types of time off are observed.

F. Union Representation at Employee Orientation Meeting

The Union Business Agent or other Local 919 representative shall be allowed one hour of paid time to participate in new employee orientation conducted for new bargaining unit members.

ARTICLE XI

Discipline

11.1 Definition

Disciplinary action shall include the following:

- A. Oral Reprimand
- B. Written Reprimand
- C. Suspension
- D. Discharge

Discipline may be imposed upon an employee only for just cause. Discipline should be imposed as soon as possible after the Employer is aware of the event or action giving rise to the discipline and has had an opportunity to investigate the matter. The Employer agrees with the tenets of corrective and progressive discipline. The parties

recognize that counseling and corrective action plans are not considered disciplinary actions and therefore not grievable.

11.2 Suspension Pending Discharge

The employer may suspend an employee without pay up to thirty (30) days pending a decision on discharge of the employee. Such actions shall not be subject to the grievance procedure, however if suspension pending discharge is replaced by another disciplinary action, written notice will be issued and such action may be subject to the grievance procedure.

11.3 Pre-Disciplinary Meeting

When disciplinary action is being contemplated the Employer shall notify the Union and the employee. Employees shall have the right to Union representation. The Employer shall afford the employee a pre-disciplinary meeting with the employee involved and, if requested by the employee, the Union. The meeting will be held for the purposes of providing all relevant available documentation, and names of witnesses relating to the facts of the charge(s); and to permit the employee to rebut and/or ask for clarification of the charge(s), if the employee so desires. Upon request, the employee or the Union representative will be granted up to five (5) workdays to furnish the Employer with a written rebuttal. If the employee does not request Union representation, the Union representative shall be entitled to be present as a non-active participant in any and all such meetings. Pre-disciplinary meetings may be rescheduled by mutual agreement. Reasonable requests will not be denied. Pre-disciplinary meetings shall not be required to be held in cases of oral and written reprimands.

11.4 Notice

In the event of a suspension or discharge action taken against an employee, the Employer shall promptly furnish the employee and the Union with a clear and concise copy of the statement of facts giving rise to the discipline and the measure of discipline intended.

The measure of discipline and the statement of charges may be modified for any contemplated disciplinary action, after the investigation of the facts and circumstances is complete. Once the measure of discipline has been imposed, the employer shall not increase it for the particular act of misconduct that arose from the same facts and circumstances.

11.5 Investigatory Interview

An employee shall be entitled to the presence of a steward and/or Union staff at an investigatory interview if he/she requests one and if the employee has reasonable grounds to believe that the interview may be used to support disciplinary action against her/him. Union representation shall not be denied, however under no circumstances

shall the investigatory interview be delayed by the Union for more than 48 hours. In the event the Union representation is denied, after a request has been made any statement made by the employee shall not be used in support of any subsequent disciplinary action taken against the employee. Union representation shall not act in such a manner so as to obstruct the investigation.

11.6 Removal of Discipline

Any written reprimand or discipline imposed for tardiness or absenteeism shall be removed from an employee's record if, from the date of the last reprimand or discipline, two (2) years pass without the employee receiving an additional reprimand or discipline for such offense. The two (2) year period shall be extended by any leave of absence or disciplinary suspension. Any reprimand for other causes shall be removed from the employee's record based on the above criteria. Such removal shall be at the request of the employee but in any case shall not be used against the employee.

12.2 The Employer shall not discriminate against, interfere with, restrain or coerce Educators because of lawful activities on behalf of the Union, or because of the exercise of any rights granted by the Rules and Regulations of the Department of Central Management Services under P.A. 83-1012 or by this Agreement.

12.3 The parties recognize the Employer's obligation to comply with Federal and State Equal Employment and Affirmative Action laws.

12.4 Educators shall have the right, freely and without threat of reprisal to voluntarily join any professional organization. Further, no Educator organization shall discriminate against any individual on the basis of that individual's race, color, religion, sex, age, national origin, or physical handicap in connection with the acquisition, retention or termination of membership or with respect to any of the functions and activities of the organization.

13.3 The Educators are free to use appropriate innovative techniques and materials and to structure learning activities according to their professional judgment in pursuance of course objectives as long as the Illinois School for the Deaf's curricula, philosophy and course of study are adhered to.

13.4 The Educators may expect to help evaluate, initiate change in, and develop curricula, especially in their area of competence. They may, without fear of recrimination, participate in faculty and administrative committees.

If a substitute teacher from the substitute list cannot be provided, a teacher who has a preparation period and wants to act as the substitute teacher, may be used as a substitute teacher and be reimbursed at his/her hourly rate of pay in addition to his/her contractual rate of pay.

This language does not prohibit management from doubling up classes in an emergency situation (i.e. the roof leaking) during non-preparation periods. Additionally, this language does not pertain to assigning additional students in Flex classes.

Substitute assignments would be made to teachers who signed up to serve as a substitute during preparation time on a rotation basis based on seniority when the need arose.

Educators are responsible for the safekeeping of the ID card and/or keys to their individual buildings and classrooms. An ID card or key will also be utilized as the signing in and out documentation needed for time audits.

Bilingual pay will be paid on a percentage scale based on the SCPI test. An employee would be paid the following percentages of the bilingual pay supplement based on the skill level on the SCPI test:

20%	Survival

The above is not intended to adversely affect any current employees.

The actual days worked will be multiplied by their daily rate of pay and then subtracting the salary already received from the Employer.

Educators completing the full 180 days of the school calendar year shall receive their full annual salary for the year.

ARTICLE XXIII

No Strike or Lockout

23.1 No lockout of Educators shall be instituted by the Employer or their agents during the term of this Agreement.

23.2 During the term of this Agreement, the Union or its agents shall not cause or sanction a strike, work stoppage or slowdown.

23.3 The Employer has the exclusive right to discipline its Educator for violating the provisions of this Article. The Educators retain the right to appeal to the Civil Service Commission, the grievance procedure and the Courts under the appropriate provisions of this Agreement.

ARTICLE XXIV

Waiver Clause

24.1 The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter within the area of collective bargaining as defined in P.A. 83-1012, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the rights and each agrees that the other will not be obligated to bargain collectively with respect to any subject or matter referred to, or covered by this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

ARTICLE XXV

25.1 In the event the Director of Central Management Services unilaterally grants an increase or decrease in fringe benefits to every and all state employees subject to the Personnel Code, such increase or decrease shall be made applicable to the Educators

covered by this Agreement. In the event of a decrease in benefits, the Employer shall provide notice to the Union and, upon timely request, shall discuss such decrease with the Union in an attempt to minimize the effect of any immediate financial impact upon the membership.

ARTICLE XXVI

Savings Clause

26.1 Should any provision of this Agreement, or any application thereof, be judicially determined to be contrary to law, all other provisions of this Agreement shall continue in full force and effect of the life thereof.

ARTICLE XXVII

ARTICLE XXVIII

Tuition Reimbursement

28.1 Each employee shall be entitled to, upon written application to and with the superintendent's advance written consent, reimbursement for course work beyond a degree as specifically limited by the following:

For each of the school years 2013-2015, DHS shall establish a fund for the purpose of tuition reimbursement. The current rates for the 2013-2015 school years shall remain in place for the duration of this Agreement.

The fund established shall be divided into sub-funds as follows:

2013-2015

Period 1 -- **\$4250** July 1- October 31

Period 2 -- **\$4250** November 1- February 28

Period 3 -- **\$4250** March 1- June 30

28.2 Employees requesting reimbursement must submit official transcripts or a letter for the same no later than thirty (30) days following the conclusion of the period following completion of the graduate course work. Failure to be teaching at ISD at the time of submission of course work will result in the inability of the educator to receive reimbursement.

28.3 From the fund designated by DHS if all requests for reimbursement do not exceed the sum set for each period, at \$150.00 per hour for the 2013-2015 school year for a maximum of six (6) semester hours (or the equivalent in quarter hours) per teacher per period then and only then shall each teacher receive the actual cost of tuition paid, or the maximum reimbursement per hour of cost, whichever sum is less.

If, however, the sum total of reimbursement requests exceeds the sum set forth for each period at the rates of \$150.00 per hour, then all teachers will receive a proportionate share of their actual costs of tuition (not to exceed the maximum per hour costs of the year), provided such total reimbursement shall not exceed the maximum fund per period for the year.

At the end of the year, total tuition reimbursement requests will be added then subtracted from the total yearly fund. Any employee(s) prorated in any of the three (3) periods will receive a proration of the remaining sum, irrespective of \$150.00 per hour or six hour per period limitations.

28.4 A passing grade ("C" grade for undergraduate study/ "B" grade for graduate study) shall be required for all tuition reimbursement payments.

28.5 A summary of tuition requests and reimbursements will be made available to the IFT Local 919 upon request.

28.6 If because of changes in certification or accreditation Educators are required by the Employer to take courses on a part-time basis so as to retain their present position classification, such Educators shall be granted tuition reimbursements for such required courses.

ARTICLE XXIX

The employee contributions shall be treated for all purposes in the same manner and to the same extent as employee contributions made prior to January 1, 1992, consistent with Article 14 of the Illinois Pension Code.

In the event that pension benefits provided to employees covered under the Teachers Retirement System (TRS) are enhanced by state statute and paid for by the employer, either party may re-open the 2000-2004 collective bargaining agreement by giving the other party written notice of its intent to re-open within thirty (30) days of any such state statute becoming law. Such re-opener shall be for the sole purpose of negotiating economic issues for employees covered under the TRS.

Memorandum of Understanding

The State of Illinois is currently under monitoring of the federal court for compliance with the *Shakman* Consent Decrees. *Shakman v. Democratic Organization of Cook County, et al.*, Northern District of Illinois Case No. 69 C 2145.

On January 7, 2019, the *Shakman* court entered an order setting out both a reformed process for filling exempt positions and principles and commitments for filling all non-exempt positions. *Shakman*, Doc. No. 6154. Bargaining unit positions have job protections through the collective bargaining agreement, and are, therefore, covered by the court's principles and commitments for non-exempt positions.

The Court ordered the State to implement of the following relevant principles (excerpted from Doc. No. 6154):

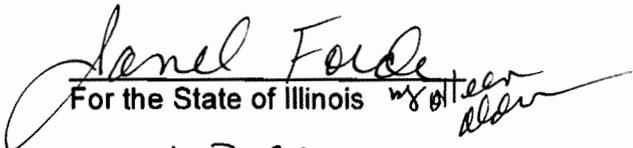

- J. Electronic Application Process. CMS shall establish and implement an electronic application process that requires applicants to apply online for specific listed vacancies. The electronic application process that CMS creates shall include an automated screening mechanism to narrow the pool of applicants for interviews. The screening mechanism shall evaluate candidates based on the Minimum Qualifications of the positions and may also incorporate pre-established preferred qualifications.
- K. Uniform Processes Throughout State. The State of Illinois shall create and communicate to all Agencies a uniform documentation process for hiring and promotions to allow for adequate monitoring and review.

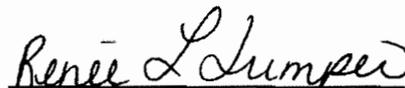

The implementation of the court order will result in a standardized, statewide online application process for all job-protected positions, including bargaining unit positions. The State is obligated to implement the Court's order. The parties share a commitment to a more efficient and timely process. To that end, the parties agree as follows:

- Prior to implementation of a new system for bargaining unit positions, the Union shall review and provide input.
- All provisions of the collective bargaining agreement shall continue to apply, except as modified herein.
- CMS Bureau of Personnel will continue to assess and verify employee qualifications. The qualification review process will transition to a numerically ranked, automated assessment with a quality control analysis performed by the CMS Bureau of Personnel staff. Employees participating in the Upward Mobility Program will continue to be afforded their rights under that program.
- In consultation with the Union, the Employer will provide all employees with advance notice of implementation of the new system and shall develop training

on the new application procedures and system. Upon request, employees shall receive training on the new system.

- A procedure shall be established to ensure that employees who do not have access to computers or who lack computer skills shall be given appropriate access and/or training.
- CMS will assess candidate qualifications in response to an express interest in a specific position being filled except that all agreements remain in effect regarding continuous posting and permanent bidding.
- The appeal process currently in place shall remain in effect.
- There shall be electronic receipts for applications and the opportunity for the employee to print out his/her profile.
